

JOB DESCRIPTION

Web/Flash Developer

Purpose of this position:

Develop websites, e-learning, and applications in Flash and/or other web technologies.

Key Responsibilities will include, but are not limited to:

- The Web/Flash Developer will be responsible for the development, testing, implementation and maintenance of Flash and ActionScript–based applications
- This position requires working closely with our creative and production teams to materialize creative vision

Basic Knowledge and Skills:

- Experience developing websites, e-learning and applications in Flash and/or other web technologies
- Proficiency in JavaScript, CSS, XML, HTML, .NET, Flex or other web–programming is preferred
- Experience using Adobe Creative Suite and AS3 is a must

Education and work experience:

Minimum 3 years training and experience

Physical Requirements:

The ability to kneel, crouch, and manipulate (lift, carry, move) light to medium weights of 10 to 20 pounds. Requires good hand-eye coordination, arm, hand and finger dexterity, including ability to grasp, and visual acuity to use a keyboard, operate office equipment, and read information on spreadsheets and reports. The candidate frequently is required to sit, reach with hands and arms, talk, and hear.

Travel:

Minimal travel may be required.

Salary:

Salary preference required.

Where to Apply:

All qualified applicants are encouraged to forward their resume to pmossbrugger@alpha-port.com or fax their resume to the HR Administrator at (216) 619-2443 or mail to 18013 Cleveland Pkwy, Ste 170, Cleveland, OH 44135.
